

SACLA 2005 CONFERENCE PROGRAMME

| TIME/DAY | | July 3rd, 2005 - Arrival Day | |
|------------------------------------|---|--|---|
| 10:00 - 17:00 | ARRIVAL OF DELEGATES | | |
| 14:00 - 16:00 | Early Registration | | |
| 19:00 | Cocktail/Dinner | | |
| TIME/DAY | | July 4th, 2005 - Day 1 | |
| 08:00 - 08:30 | Late Registration | | |
| 08:00 - 8:45 | Keynote speaker | | |
| July 4th, SESSION 1 - 09:00- 10:40 | | | |
| Chair | E. B. Awuah | ROOM 1 - Session 1.1 | Chair: Linda Spark |
| 09:00 - 09:20 | Tertia Hörne | Investigating assignment copying and examination results | Nomusa Dlodlo |
| 09:20 - 09:40 | Lynette van Zijl | The development of a plagiarism detection system | D. Naidoo |
| 09:40 - 10:00 | Van der Merwe Willem | Reconsidering the relevance of IS curricula for Southern Africa | P M Alexander & JH Kroeze |
| 10:20 - 10:40 | Keshnee Padayachee | The Next Challenge: Aspect Oriented Programming | W. Moswetsi |
| TEA BREAK - 10:40- 11:00 | | | |
| SESSION 2 - 11:00- 12:40 | | | |
| Chair | Chair : Keshnee Padayachee | ROOM 1 - Session 2.1 | Chair: Ken Halland |
| 11:00 - 11:20 | George G. Anderson | Experience With Porting a Benchmark Suite to QNX | Jean-Paul Van Belle |
| 11:20 - 11:40 | Rob Dempster | UNIX 4u2 - Why I use Linux on my desktop | Opelo Mogothwane |
| 11:40 - 12:00 | Mthulisi Velepini | Local security, user and network access policies a cost effective way to securing a computer system | H.O. Nyongesa |
| 12:00 - 12:20 | J.O. Dehinbo | Performance of 2-Tier Web Based Middleware Systems | E. B. Awuah |
| 12:20 - 12:40 | G. Mosweunyane | Using VLANS To Revolutionize The Organizational Structure | E. Kritzinger |
| LUNCH 12:40 - 14:00 | | | |
| SESSION 3 - 14:00- 15:40 | | | |
| Chair | R. Dempster | ROOM 1 - Session 3.1 | Chair: Zuva T. |
| 14:00 - 14:20 | Tom Addison | Striving for IS III project excellence, the views of graduates. | Joseph Bhekizwe Dlodlo |
| 14:20 - 14:40 | Susan Benvenuti | Academic Literacy in Information Systems Students | Totev D. M. |
| 14:40 - 15:00 | P. J. Joubert | Improving information systems students' understanding of business processes | Ojo S.O. |
| 15:00 - 15:20 | GYS LE ROUX | A Project Web Site – Using WebCT to facilitate peer review in IS teaching | Bob Jolliffe |
| 15:20 - 15:40 | Deepti Garg | Student perception in the online course "GEC121 Computer and Information Skills Fundamentals I" at the University of Botswana. | Nkwebi P. Motlogelwa & Conrad Mueller |
| TEA BREAK -15:40- 16:00 | | | |
| 16:00 - 17:00 | Convenors of Panel Discussion Alta van der Merwe & Paula Kotze | Room 1 or 2 | Writing a thesis in article format: feasible within the Computer Science and Information Systems context? |
| 17:00 - 18:00 | Dinner | | |
| 18:00 - 21:00 | GAME DRIVE / BOAT CRUISE - 3 HOURS | | |

SACLA 2005 CONFERENCE PROGRAMME

TIME/DAY July 5th, 2005 - Day 2

| SESSION 1 - 08:30- 10:10 | | | | | |
|---------------------------------|----------------------------|---|--|------------------------|---|
| Chair | Chair: Jean-Paul Van Belle | ROOM 1 - Session 1.1 | | Chair: Tom Addison | ROOM 2 -Session 1.2 |
| 08:30 - 08:50 | Mthulisi Velepini | Integrity, confidentiality and security of data and information in a networked environment, a challenge to all educational Institutions in maintaining their integrity. | | Gopolang B. | Influence of Local Area Network Technology advances in Local Area Network Design |
| 08:50 -09:10 | Suzanne Sackstein | Methods for evaluating Interface Designs for undergraduate systems development projects | | Vreda Pieterse | Factors to consider when forming Software Engineering teams in a final year module |
| 09:10 - 09:30 | Linda Spark | Matric maths as a predictor of success in Information Systems – a study of Information Systems students at the University of the Witwatersrand. | | Samuel Chikasha | Some human factor issues in an e-learning enabled tertiary institution |
| 09:30 - 09:50 | Venter L.M. | Word processing meets Typography | | G. Anderson | Usage of a WebCT-based Course in the University of Botswana: A Case Study from GEC121 |
| 09:50 - 10:10 | Alta van der Merwe | Qualitative Research approaches within Information Systems | | Eyitayo A. O. | Problem Solving and Object-Oriented Program Design: a Pedagogical Approach |
| TEA BREAK - 10:10- 10:30 | | | | | |

| SESSION 2 - 10:30- 12:40 | | | | | |
|----------------------------|----------------------------------|---|--|--|--|
| Chair | Anderson G. | ROOM 1 - Session 2.1 | | Chair Ojo S. O. | ROOM 2 - Session 2.2 |
| 10:30 - 10:50 | Ms D van Heerden | Closing the distance when teaching a programming language | | Norman H. Buller | Towards Developing and Applying a First Year Information Systems Curriculum on a Multi-Campus University |
| 10:50 - 11:10 | Ken Halland | Academic performance of Post-Graduate Assistants | | Mapoka | Staff views on the use of WebCT in teaching a computer literacy course: a case study of the University of Botswana |
| 11:10 - 11:30 | AC Leonard | IT Service Delivery and Service Support In South African Universities: The Characteristics And Pitfalls Of A Generic Approach | | Leila Goosen & Vreda Pieterse | Roller coaster riding: highs and lows of understanding OO |
| 11:30 - 11:50 | C Blewett & D. Achmad | Towards identifying predictors of student performance in learning computer programming at a South African University | | Ndabezibhle Soganile | Community based learning network: A way to go for developing countries |
| 11:50 - 12:10 | Eileen Dean | Using Self-Organizing Maps to Analyze First Year IT Results in Relation to the Student's Matriculation Results | | Shawren Singh | My marriage to cousin Lily |
| 12:10 - 12:30 | Stamatis Dimas | The importance of teaching creativity and innovation to first year Systems Design students: From Left Brain to Right! | | Nomusa Dlodlo | Bridging the Digital Divide in Education in Matabeleland province of Zimbabwe: Improving Education through ICTs |
| LUNCH 12:40 - 14:00 | | | | | |

| SESSION 3 - 14:00- 15:40 | | | | | |
|--------------------------|--------------------|----------------------------------|--|--|--|
| Chair | Ogwu F. J. | ROOM 1 - Session 3.1 | | | |
| 14:00 - 16:00 | | AGM | | | |
| 16:00 | | SACLA2005 CONFERENCE ENDS | | | |
| 19:00 - 21:00 | GALA DINNER | | | | |

| TIME/DAY | July 6th, 2005 - Day 3 | | | |
|---------------|---|--|--|--|
| 06:30 - 08:00 | BREAKFAST | | | |
| 06:00- 09:00 | GAME DRIVE / BOAT CRUISE - 3 HOURS | | | |
| 12:30 | LUNCH | | | |
